What is the NZTFI \$20 (NZD) NAF (National Affiliation Fee)?

This is a one off annual *tag season fee which enables the player to be eligible for all NZTFI/ITF sanctioned module, regional, national and international events which serves as a vital source of funding that directly supports the growth and development of the game of tag in New Zealand.

**An NZTFI tag season in New Zealand is valid from Oct 1st to April 30th the following year (7 months)*

It enables the NZTFI to provide crucial resources, such as schools/after school/school holiday programs/training/coaching/referee clinics, Have a Go Tag days, Skills and coaching development, infrastructure maintenance, and administrative support, which are essential for the continued success of our organization.

Subscription/Membership Fees are the foundations for any sports organisation or code from grassroots to representative level and is a necessary element in ensuring the sport has a financially viable model to make it sustainable in the competitive sporting landscape in New Zealand.

The National Affiliation fee is not just a financial obligation; it is an investment in the future of our sport. By contributing to this fee, our members and affiliates play a pivotal role in advancing the sport for our tamariki and rangitahi by nurturing talent, and ensuring its sustainability. Together, we can strive for excellence, both on and off the field, and empower athletes, coaches managers and support teams of all levels to achieve their dreams.

We thank you for your continued dedication and support in shaping the future of New Zealand Tag Football Incorporated and its growth strategy in growing this beautiful game we call tag.
